

Call of the „Anti-Rightwing Alliance Braunschweig“

Leave no Room for Racism, Nationalism and the stirring up of Hatred against Refugees!

Monday, January 19th, 2015, here in Braunschweig, too, racist „Wutbürger“ (enraged citizens) together with neo-Nazis and rightwing „Hooligans“ will take to the street against an allegedly threatening „Islamization of the Occident“ with a first „Monday walk“. Rallies of „PEGIDA“ lately joined by thousands in Dresden on Mondays serve as a model. In Braunschweig the organizers call themselves „BRAGIDA“ („Braunschweig against Islamization of the Occident“). On their Facebook site „Braunschweig wake up“ they mobilize meetings of the „Hooligans against Salafists“ („HoGeSa“) in advance. For the supporters of „HoGeSa“ and „BRAGIDA/PEGIDA“ the condemnation of „Salafists“ and the „Islamic State in Iraq and Syria“ (ISIS) is the pretence of their „protest“. What truly unites them, however, is a culturally/racially motivated hate against Islam, a chauvinist nationalism und a degradation of refugees and others they perceive as „foreign“.

We welcome every woman and man who has fled because of political or religious persecution, of discrimination, of hunger and poverty or for other reasons from their homeland!

We say NO to (anti-Muslim) racism, nationalism and discrimination of refugees, but also to religious fundamentalism – regardless, whether it calls itself Christian, Islamic or otherwise.

We stand for a multi-coloured and tolerant town where nobody is excluded or degraded due to his origin, colour of skin, culture or religion, gender or sexual orientation!

We call for a loud and visible protest against the „Monday walks“ of „BRAGIDA“
